### Item Identification

### Comments

Graded Mounted

The article has been micro photographed resulting in an enlarged photograph so as to allow details to be easily observed. This photograph is representative of the article inspected but it may not be a photograph of your individual article. We may at times show a wire frame diagram of the item with distinguishing marks marked in red and/or green for identification in place of the micro photograph of the article. This document may not be reproduced by any means whatsoever unless complete. Antwerpse Gemologische Instelling and agi is a trading style of agigems Limited. Registered Company No. 6271125 in UK.
